Steve Rose Memorial Scholarship Award

The Steve Rose Memorial Scholarship Awards has been established by the W.A.C.E. Foundation Board to encourage chamber chief paid executives with 10 or more years experience to continue to upgrade and expand their skills through participation in professional development programs.

The scholarship is valued at \$1,500 to cover tuition/registration and other related expenses. Programs eligible include the W.A.C.E. Conference and other recognized professional development conferences and programs.

The scholarship will be awarded at the W.A.C.E. Conference and will only be presented when there is a qualified recipient; therefore, this may not be an annual award.

Steve Rose was a 30-year chamber executive. He served on the W.A.C.E. Board, W.A.C.E. Foundation Board, Southern California Association of Chamber of Commerce Executives (SCACCE) Board, and the Board of the Westside Council of Chambers. He received the Pettit Award in 2013 for his excellence in leadership and mentoring of chamber colleagues. Steve recognized that supplemental funding to support opportunities for professional development would enable chamber professionals to advance their knowledge or career paths and improve their own chamber. Upon his passing, he bequeathed a portion of his estate to the W.A.C.E. Foundation for that purpose. Steve had a deep commitment to professional development, as well as loyalty and dedication to the goals of both W.A.C.E. and the W.A.C.E. Foundation and felt that professional conferences are essential to improving both the individual and the chamber in which they serve.

To qualify for the Steve Rose Memorial Scholarship Award, applicants must meet the following criteria:
