How Do You Use Artificial Intelligence at Your Chamber?

Session Description

Explore the frontier of technology at the crossroads of AI, Automation, Chat GPT and Future Tech. This engaging panel will illuminate how these innovations are shaping businesses and communities. Join industry experts for a riveting discussion on cutting-edge advancements and strategies to harness their power for future success. Be part of the conversation that's shaping tomorrow!

Email Invitation to ChatGPT Jared

Dear Jared,

I hope this message finds you well. First and foremost, let me reassure you that I'm penning this invitation personally, without any AI assistance. It's good old-fashioned Zeb Welborn on the keys!

Your expertise and contributions in the use of ChatGPT, earning you the affectionate nickname "Chat Jared", have not gone unnoticed by the WACE Conference community. Given your unique perspective and experience, we'd be honored to have you join us as a speaker for our upcoming event.

It's essential for our attendees to hear firsthand from someone who has been deeply immersed in the space, both for the novelty and depth of understanding you bring. As "Chat Jared", you're uniquely positioned to provide insights that are both enlightening and relatable to our audience.

Kindly let us know your availability and any requirements you might have. We're eager to work closely with you to ensure the session is mutually beneficial and aligns with the expectations of our participants.

Looking forward to hearing from you soon, Jared. Your expertise and charisma would be a fantastic addition to our lineup. And once again, I assure you, this invitation is 100% human-written, coming straight from the heart.

Warm regards,

Panelist: Heath Jones, CEO

Dinuba Chamber

A dynamic Collaboration Enthusiast and Marketing & Business Support Expert with a rich history in tourism, passionate about workforce development, and dedicated to fostering growth and innovation in her community.

Panelist: Jared Neumayr, CEO
